## MYSTERY BAG DONATIONS

Last year, we introduced what proved to be a great fundraising item as well as an effective advertising tool; the mystery bag. Attendees have the ability to purchase a mystery bag of items, coupons, gift cards etc., from local business with some of the bags containing a haul of goods which much exceeds the cost of the bag. No item is too small for us to include in the bags. Plus, this is a great opportunity for you to bring awareness to your business! If you provide a monetary gift card, a donation receipt will be provided to you.
