WHAT YOUR DONATION WILL DO

Upside Down Tree's goal for Laugh More, Give More, 2018 is to raise \$50,000; these funds will be split between the two organizations. The funds allocated to Kidthink will assist in the construction of the Kidthink Children's Mental Health Treatment Center. The funds delivered to MDAM will be used to support their incredible peer support services which are offered free of charge. These services include drop-in and one-on-one sessions as well as over-the-phone aid and group support meetings. The support is offered by individuals who have lived through mental illness themselves and the support is there for those currently fighting their battle with mental illness. This year marks the 35th anniversary of the MDAM's peer support program. MDAM has been providing peer support for longer than any other organization in North America.
